

Angelucci 20th Century

BUTTERFLY CHAIRS & COVERS

The inspiration for the late 1930's butterfly chair lay in the campaign chairs of the 19th Century. By the 1950's this icon of modernism had become a ubiquitous symbol of a relaxed contemporary lifestyle. The updated materials used in our version of this classic design make for a sleek low-maintenance chair you will cherish for decades.

FRAMES:

Frames are solid brushed stainless steel, also available powdercoated in black or white.

Custom powdercoating is available at an extra charge and will take approximately 4 weeks to order.

Frames and covers are made in Melbourne by local craftspeople exclusively for Angelucci 20th Century.
